Dear Mr. Sullivan,

I hope this finds you well. In response to the letter I received on my intent to return, I have made the decision to not return to Colchester public schools. While I have greatly enjoyed my few years teaching at William J, I have to follow my heart in continuing my journey of motherhood by staying home to raise my family. I truly appreciate everything Colchester has brought me over the years.

I wish you and the whole CPS family a smooth second half of the school year and great success in the future.

Sincerely,
Jessi Kilguss
